

Narsimhaswamy Bhukya

Web Developer

+91-6305903943 | bhukyanarsimhaswamy123@gmail.com

Objective

Seeking an internship opportunity in web development to apply my technical skills, gain practical experience, and contribute to innovative projects in a dynamic environment.

Education

Rajiv Gandhi University Of Knowledge Technologies, Basar

B-Tech (CGPA: 8.6)

Pre-University Education (CGPA: 8.26)

Govt High School, Papaihpet

Secondary Education (CGPA: 10)

Projects

- **Smart Farming Web Development**

Developed a web-based platform to provide farmers with real-time access to government schemes and subsidies. Implemented features such as user authentication, categorized schemes, and a responsive UI for easy accessibility.

- **Email Format Web Page**

Designed an intuitive email format webpage for seamless email communication with a structured template. Ensured responsiveness and user-friendly UI using modern web technologies.

- **Hall Ticket Generation System**

Built a system to generate hall tickets dynamically with student details. Integrated database management for storing and retrieving student credentials efficiently.

- **Java Socket Communication Application**

Developed a client-server application using Java socket programming to facilitate real-time communication. Implemented multi-threading to handle multiple client requests simultaneously.

Skills

Programming Languages: C, Java, DSA, Python

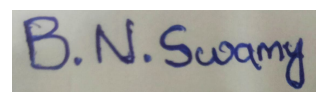

Web Technologies: HTML, CSS, JavaScript

Database Systems: MySQL

Other Technologies: LaTeX, PHP, Data Science

Personal Details

Marital Status: Unmarried

Signature
